*Live the Magic of Africa*

**Mombo Camp** is situated on Mombo Island, adjoining the northern tip of Chief's Island, and is within the Moremi Game Reserve in the Okavango Delta in northern Botswana. The camp offers abundant big game viewing, arguably the best in Botswana. The highlights here are the concentrations of plains game and all the predators - including the big cats! Lion sightings are particularly good, along with leopard, large herds of buffalo, cheetah, wild dog, elephant, white and black rhino, hyena, giraffe, wildebeest and zebra. Mombo is built on an island that is surrounded by open floodplains. The camp is largely built in and around the shade of some large mangosteen, ebony and fig trees and overlooks a wonderful floodplain that teems with game. Activities at Mombo include morning and afternoon game drives in open 4x4 Land Rovers.

The camp has 9 comfortably furnished, luxurious tents, raised off the ground. The guest's rooms and the walkways that connect the rooms to the living area are up to 2m off the ground, allowing game to wander freely through the camp - but at the same time allowing for guest safety. One often finds that animals take refuge under the rooms. The canvas rooms are spacious and well appointed and have en-suite facilities under canvas and an additional outdoor shower for those who enjoy a shower under the stars.

Mombo is continually rated year after year by Conde Nast Traveler USA as the best camp in Botswana.
